

2

The Chairman, Artesia Airport Committee is:

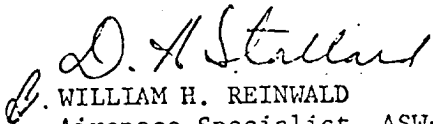

Mr. Fred Mermis

b. The drilling rig must be lighted with the normal white rig lights in addition to a red light on the top of the rig.

c. Whenever the rig is removed, the access road rebladed and all debris removed from Runway 8/26 it will be necessary to notify the above two persons so that the runway can be put back in operation.

If we can be of further assistance, please let us know.

Sincerely,

WILLIAM H. REINWALD
Airspace Specialist, ASW-538
Airspace and Procedures Branch
