17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We propose to temporarily abandon the Wolfcamp completion and to re-open the Morrow completion. We will pull tubing, anchor and rods, re-run new tubing and tie into the Morrow packer at 10828', then pull the blanking plug. This will put the Wildcat Morrow in the tubing and the West Henshaw Wolfcamp shutin in the tubing-casing annulus with corrosion inhibited fluid in the annulus.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
