Gentlemen:

We are in receipt of your Form C-127, requesting an increase in the allowable of the above captioned well.

However, the last paper work we have in the file is from 1977. Before an increase in the allowable can be assigned, we will need a Form C-103 showing what has been done to increase the production on this well.

When this office receives the Form C-103 showing the work done, an increase will be assigned.

Very truly yours,

Leslie A. Clements

This well is receiving an increase from an offset waterflood.
