Re: ✓ Terry FU #1, F-21-16S-25E, Eddy
County

Dear Bill:

I notice that on our C105 for the Terry FU well, we called the top of the Wolfcamp at 4882 and then changed it to 4976'. We are all convinced now that the top of the Wolfcamp is 4880'.

Accordingly I am submitting a new C-102 dedicating the north half of section 21 to be a communitized unit. I believe that you will agree with this correlation. Thank you.

Very truly yours,

Eddie M. Mahfood
