17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This test was approved for drilling on December 13, 1976. Due to unavailability of a drilling rig until the present time, the well will now be commenced on approx. June 1, 1977. This is to request an extension of the "Notice of Intention to Drill" until June 15, 1977.
