RE: Operator/Landowner Agreement  
Collins Ranch, Fed. EF #2, HS Well Sites

Dear Heimy,

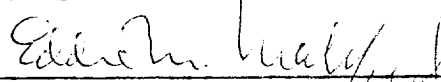

Yates Petroleum Corporation recently made application to drill two deep tests on surface patented to Mrs. Hazel Beavers and Fred Collins. The well sites are:

Federal EF #2 1980/N 1980/W Sec. 6-18S-25E  
Collins HS Fed. #1 1980/N 1980/E Sec. 35-16S-24E

With respect to the restoration requirements Mr. Fred W. Collins of artesia, agent for Mrs. Hazel Beavers of Sweetwater, Texas, asks only that the location be cleaned and levelled, and does not require ripping or re-seeding.

Respectfully submitted,

YATES PETROLEUM CORPORATION
