Gentlemen:

This is to advise that on September 1, 1981 the Yates Petroleum Co.'s Blevins IK Com. #1-Morrow gas well located in Unit D of Section 35, Township 17-S, Range 26-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter will remain on location, serving the recompletion zone, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion from Morrow to Upper Penn.

Yours truly,
