Gentlemen:

To date, this office has received no reports on the subject well since approval of Form C-101. Please submit Form C-103 reporting the hour and date the well was spudded, the setting and cementing surface, intermediate and production casing, including the grade, weight of casing, type and amount of cement used, the WOC time pressure test and results of same.

According to Commission rules, a report is to be submitted within 10 days after a well is spudded and within 10 days after setting a string of casing.

Sincerely yours,

  
W. A. Gressett  
Supervisor, District II
