**RE: PACKER LEAKAGE TEST
HANLAD #1
E 17-17S-24E, EDDY COUNTY, New Mexico**

Dear Mr. Barton,

In reference to your letter dated 8/17/01 concerning the packer leakage test on the Hanlad #1, I am requesting that this well be exempt. The Atoka formation was temporarily abandoned in June 1996. Enclosed is a copy of the sundry notice that I submitted at that time along with a schematic of the well bore.

If you have any questions or concerns, please contact me at 505-748-5488.

Sincerely,

James B. Campanella
