Re: Beard Oil Company #1 Hanlad
East High Hope-Abo Field
NW/4 Section 17-17S-24E
Eddy County, New Mexico

Gentlemen:

Order #R-5875-B, effective April 1, 1982, provides for Abo spacing in the above captioned field to be reduced from 320 acres to 160 acres. Accordingly, attached is Form C-102 for our Hanlad #1 which corrects the acreage dedication for the Abo formation to 160 acres.

If this is not sufficient information to comply with Order #R-5875-B, please advise further.

Very truly yours,

BEARD OIL COMPANY

Ivan D. Allred, Jr.
Vice President
