

This form is to be filed with the appropriate District Office or the Commission not later than 30 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All _____ reported shall be measured by this. In the case _____ frequently drilled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each _____ no. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1135.
