Dear Mr. Beach:

We are returning the enclosed Form C-105 for additional information.

Please complete by filling in the Formation Record from surface to total depth, and show the test under item #33.

Based on your note received January 19, 1979, showing waiting on a pipeline connection I considered the well completed therefore we requested this report.

If you have any questions concerning this matter please feel free to call upon me.

Sincerely yours,

W. A. Gressett
