Sec. 24 17S-28E, Eddy County NM

Dear Mr. Gum:

Enclosed are an original and six (6) copies of Form C-101, C-102, and well-bore schematic for the proposed salt-water disposal well. We are in the process of filing for injection approval with the N.M.O.C.D. in Santa Fe. We have a rig available in 8 to 10 days and upon completion, we will shut-in the well pending authority to inject.

If you have any questions or require additional information concerning this matter, please feel free to call me at 972-443-6489

Yours truly,

Zeno Farris
