Re: Approval of change of operator-  
McClay 11&12  
Schnieder #1

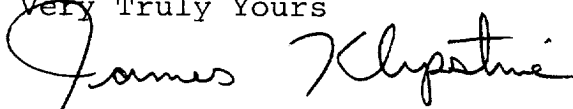

Dear Mr. Gresset:

Please find enclosed for your approval documents reflecting the change of operator of the above named producing wells located in Eddy County.

My earlier conversation with your office indicated that the filing of these documents was necessary before the actual change of operator could be approved. A plugging bond on the Federal lease, Schnieder #1, has already been forwarded to your office by the Dunagan Insurance Agency here in Carlsbad.

I appreciate your assistance in this matter. In the event I need to do anything further please let me know.

Very Truly Yours

JAMES W. KLIPSTINE
