SUBJECT: Well plugging, Otis H. Sanders, Thigpen et al #1-Y, F-7-16-25

DATE: March 20, 1995

Rand,

We recommend the above captioned well be plugged to protect fresh waters of the state of New Mexico.

Efforts to locate Mr. Sanders have been unsuccessful. I talked to his lawyer, a Mr. Ellis Vickers in Roswell, and he does not know his whereabouts either.

It is possible we may be able to salvage around 3000' of 5 1/2 inch casing and surface equipment from this well that could be used in paying for this job. I would like to see it bid that way.
