Dear Mr. Muncy:

Enclosed please find a copy of the Agency for Conservation Archaeology's clearance report for Nelson Muncy on October 26, 1979. No archaeological sites were located, however, several isolated manifestations were recorded during the course of this reconnaissance. ACA recommends archaeological clearance for the project and suggests that construction be allowed to proceed as currently planned.

If I may be of further service to you, do not hesitate to call me at (505) 562-3332/2254.

Yours sincerely,

Dr. Peter S. Miller
