Re: **CORRECTION of POOL & POOL CODE**

As the result of Division Order R-8892, effective April 1, 1989, the Diamond Atoka-Morrow Gas Pool in Chaves and Eddy Counties, New Mexico was abolished and two seperate pools were created; the Diamond Mound Atoka and Diamond Mound Morrow gas pools. Upon review of the SRC #1, the current perms are determined to lie in the Atoka formation. Please change your records to reflect the proper pool name. All subsequent reports must show this nomenclature until further notice.

Sincerely,

  
Bryan G. Arrant  
District II Geologist
