

INSTRUCTIONS

This form is to be filed with the application to District Office of the Commission not later than 30 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electric and radio-activity logs on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured by tape. In the case of frequently drilled wells, true vertical depths shall also be reported. For multiple completions, Items 7 through 34 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1195.
