RE: Callaway Federal #3 API # 30-015-23505 Sec. 6, T16S, R28E 1980' FSL, 1980' FWL Eddy County, NM

Dear Mr. Gum:

Please find attached a copy of the approved BLM form 3160-5 requesting TA status on the subject well. Matador subsequently TA'd this well and the testing of the casing was witnessed by Mr. Homer Saenz of the BLM. Also attached is a copy of the chart recorder for your review.

Matador feels as though the requirements set forth in the January 22, 2002 letter prepared by David Brooks have been met. If there is anything further that I can be of assistance with please let me know in the Midland office at 915-687-5955.

Sincerely,

Run Mathi

Russ Mathis Production Manager
