(Other) water disposal-flare gas

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

1. Water Disposal Method - Produced water will be stored in fiber glass tank on location then hauled by I & W Inc. to pollution control at their LaGuna Katuna disposal.
2. Permission to flare gas - Conoco Inc. will be purchaser of casing head gas. The line has been staked and should be installed on or before November 1, 1981. We ask permission to flare gas until that date.
