Gentlemen:

We are returning the enclosed Form C-103 on the subject well for additional information. Please show the actual WOC time on the 13 3/8" and 8 5/8" casing.

We also need the pressure test run on the 8 5/8" casing.

On the temperature survey, did the survey show the TOC @ 1920' or 20'?

If you have any further questions concerning this matter please feel free to call me.

Sincerely yours,
