Re: State CD Gas Com.
#1-G-11-17-27
Eddy County, NM

Gentlemen:

We are returning the enclosed Forms C-101 and C-102 on the subject well for corrections and additional information.

On C-101, please show State Lease Number. This well is in the water basin; therefore, the intermediate casing hole must be drilled with fresh water mud.

On Form C-102, when more than one lease is dedicated to a well, outline each and identify the ownership thereof (both as to working interest and royalty) and answer #3.

If you have any questions concerning this matter, feel free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
