Red Lake Q-G-SA Pool

Mr. Latch,

Before an allowable can be assigned to the above mentioned well, you will need to submit a Form C-102, Surveyors Plat, dedicating 160 acres to this well, since it is a gas well instead of an oil well.

According to your completion report, the well is producing, but we have not received a Form C-104, Request for Allowable, to show us who the purchasers are, or to enable us to approve an allowable for this well.

Please let us hear from you as soon as possible.

Yours very truly,

Leslie A. Clements
