Gentlemen:

We acknowledge receipt of your C-103 dated December 14, 1983, on the above captioned well.

We are returning it, however, as you failed to show the casing test, length of test and pressure, as required by Division Rule 107.

Please add the necessary information and return your C-103 to us for approval.

Very truly yours,

  
Leslie A. Clements  
Supervisor District II
