REPORT OF COMPLIANCE

OIL DIVISION

JUL 24 1984

The undersigned, being duly sworn, deposes and says that the information herein is true and correct to the best of my knowledge and belief.

Original Signed By
Leslie A. Clements
Supervisor District II

TITLE

This form is to be filled out by the owner of the well and gas.

If the well is to be flared for a newly drilled or deep well, the flaring must be as regulated by the District of the device taken up on the well in section one with RULE 311.

All sections of the form must be filled out completely for any well in new and re-completed wells.

Fill out only Sections I, II, III, and IV for the purpose of well completion or re-completion. If the well is to be re-completed, the well must be filled out for each part in order
