Hi!

Lyn was cleaning Rand's old files and found Red Lake Oil Company - OGRID 18951 one-well plugging bond with a letter from Ray Smith regarding his request to plug the Welch State #1 - 1650' FSL and 1650' FEL of Section 28, 17S, Range 28 East, Eddy County - Unit J - API 30-015-25703

There is no record in the file showing this went to hearing. Can you tell me anything on this well? Thanks.
