Dear Mr. Welch:

Our Artesia district office has advised me that the well description submitted on the C-101 is not the same as the one we have on your bond. Your one-well single cash bond form shows 1650 feet from the South line and 165 feet from the East line but your permit shows 1650 feet from the South and East.

I would appreciate your advising me which well location is correct. The approval of your permit is being held up pending the correct well location.

Thank you for your assistance.

Sincerely,
