ATTN: Mr. Mike Williams

Dear Mr. Williams:

Please be advised that crude oil transfers need to be made in order to provide frac fluids to the Red Lake Federal #1. Attached to this letter is the NMOCC Form C-126 showing leases the oil is to be transferred from and the amounts we will need to transfer. Also attached is the BLM Form 3160-5 notifying the Bureau of Land Management of our intent and stating the transfer times from May 15 to May 22. Thank you for your attention in this matter.

Yours very truly,

Thomas K. Scroggin  
Production Supervisor
