RE: *Application to drill the Logan Draw '30' Federal Com. #1, located in Unit H, Section 30,
Township 17 South, Range 27 East, Eddy County, New Mexico.*

ATTN: Butch Willis-Drilling Superintendent

Dear Butch,

Regarding the above referenced Application to Drill (APD), the Oil Conservation Division (OCD) is unable to assign an API number for this well due to the fact that Devon Energy Corporation (Nevada) has submitted a similar APD in the same proration unit. Devon's application was approved by the Bureau of Land Management on 7/29/99 and an API number was assigned by our office on July 30th, 1999. A copy of Devon's application is enclosed for your review.

Should Devon decided to withdraw their application, please advise the OCD so your application can be reconsidered.

Respectfully Yours,

Bryan G. Arrant
District II Geologist
