Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator determined that the site is ready for final inspection.)

We propose to blade the road and location as it will not disturb the terrain as much as caliche, but in the event that we do make a producing well, we will caliche the road and location

We would like to waive the stipulation for plastic lined pits. the cuttings from the air rig will rupture the plastic, and the pits will not contain any contaminants with the air rig, as per conversation with Jim Amos.
