Re: Form C-123

Dear Sir:

We have received Form C-104 for your Sunray #2 in Unit N of Section 36 Township 17S R28E, Eddy County, and according to our records, this well is outside the boundaries of a designated pool. However, since the name of the producing formation has not been given, we are unable to determine in which pool it should be placed.

Please file the original and one copy of the enclosed Form C-123 for this well with this office, giving the name of the producing formation in the space provided for that purpose.

Yours very truly,

OIL CONSERVATION COMMISSION
