Re: Gulf State Well No. 2-B,
Unit P, Sec. 2-17S-29E,
Eddy County, New Mexico

Dear Sir:

On February 26, 1961, our field man, Mr. Gressett, inspected the above-captioned well and found that the "dead men" wires have not been cut.

Will you please take care of this matter as soon as possible?

Very truly yours,
