Re: Form C-123

Gentlemen:

According to our records, your Humble State "8" #3 in Unit C of Section 8 T17S R29E, producing from the Grayburg, and your Humble State #3 in Unit K of Section 19 T17S R29E, are outside the boundaries of designated pools producing from their respective formations.

Please file the original and one copy of the enclosed Form C-123 for each of these wells with this office as soon as possible.

Yours very truly,

OIL CONSERVATION COMMISSION

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

September 10, 1935

Dear Sir:

Enclosed for you are

three copies of

the report of the Commission on the conservation of oil in the State of New Mexico, which was prepared by the Commission during the year 1934. The report contains a detailed statement of the oil resources of the State, and a plan for the conservation of these resources.

The Commission believes that the conservation of oil is of great importance to the State, and that the plan proposed in the report is a feasible one.

Very truly,

Oil Conservation Commission

Respectfully,
George J. ...

Oil Conservation Commission
