Dear Sir:

We have received your Form C-110 for the # 1 & 2 wells on the Louis J. Root lease, Anderson Pool, Eddy, County. I can not approve this form C-110 since you filed only one set for both wells, and the wells are located on separate 40 acre proration units.

We have typed up two separate sets of Form C-110 covering these two wells and inclosed herewith for your signature, please follow the instructions as set out in my letter of February 11, 1954, and mail these forms back here to the Artesia office of the Oil Conservation Commission for approval and distribution, (not to Santa Fe.)

Thanking you for your prompt attention, I am

Very truly yours,

Oil Conservation Commission
