Re: Continental State No. 1 N 15-17-29  
Grayburg Jackson Pool, Eddy County

Gentlemen:

We are in receipt of Form C-116 requesting an increased allowable for the subject well. However, no Form C-103 has been filed showing a workover nor, was any other explanation for the increased production noted on Form C-116. Form C-103 should be filed for workovers as required by Rule 1103 B (5), Commission Rules & Regulations. When the increased production results from other circumstances, these should be briefly noted on Form C-116 or Form C-127.

Very truly yours,

OIL CONSERVATION COMMISSION
