Oil Conservation Commission,
Hobbs, New Mexico.

Attention Mr. Roy O. Yarbrough.

Dear Mr. Yarbrough:

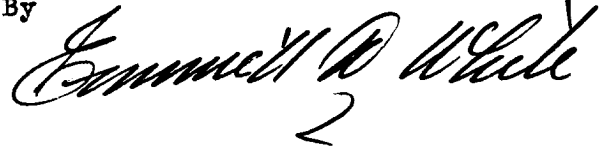

In reply to your letter of August 8th regarding the above captioned well, we wish to advise that the lease on which this well is located was originally held under an instrument entitled, State Lease No. 711. That lease was converted to a new lease on October 14, 1932, and a new number, B-1266, was assigned. This lease has been in force since that date.

We trust that this is the information you require.

Yours very truly,

LEONARD OIL COMPANY,
