RE: Oil Purchase

Gentlemen:

Sun's M. Dodd "A" Lease, Well #7 is presently undergoing workover operations involving frac procedures.

On November 27, 1976, Sun purchased 370 barrels of crude from The Permian Corporation to be used as frac oil for our M. Dodd "A" Lease, Well #7, located in the Grayburg Jackson pool.

The transporter for this movement was The Permian Corporation, P. O. Box 3119, Midland, TX 79701.

Copies of this notification have been mailed to The Permian Corporation, temporary transporter, and Texas-New Mexico Pipe Line Co., the transporter of crude from the M. Dodd "A" Lease.

Very truly yours,
SUN OIL COMPANY
