Gentlemen:

We acknowledge receipt of your C-116 form on the above mentioned wells.

Before an allowable can be issued for the #59, we will need an update on what has been done since 1979, that is the last information we have on file on the well.

On the #42, the last information filed on this well was in 1967.

When these are sent in, allowables will be assigned.

Very truly yours,

A handwritten signature in cursive script that reads "Leslie A. Clements".
