Dr. E. H. Wells,  
State Geologist,  
Socorro, New Mex.

Dear Dr. Wells:

Referring to the SG-101  
for the Harry Leonard Inc., State #9  
well, located in Sec. 22, T. 17 S., R.  
29 E.

Mr. Leonard has requested  
that the location be changed to read as  
follows: 2310' South of the North line  
and 2310' East of the West line. You  
will probably notice that I changed part  
of it.

Please make this correction  
on the Original which you have there at  
Socorro.

Very truly yours,

J. D. Hunter,  
Inspector.
