If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Marbob Energy Corporation plans to place the above described well back into injection status after an evaluation of the offsetting Phillips Petroleum waterflood project. The project directly offsets the M. Dodd "A" lease to the east. The evaluation is expected to be complete in approximately 12 to 36 months.

I hereby certify that the foregoing is true and correct
