Dear Sir:

We are in receipt of your letter of March 3, 1971 in regard to Pool Designation Leonard State Com. Well No. 1-E, 22-17-19, Eddy County, New Mexico.

We do concur with your recognition of the producing interval as being Morrow rather than Atoka. We have no objections to the re-designation of this pool to Grayburg-Morrow from Grayburg-Atoka.

Please notify us of any changes in rules which may incur due to pool re-designation. If we may be of any further assistance please advise us.

Very truly yours,

EL PASO NATURAL GAS COMPANY
