Dear John:

Mr. Hugh Johnston was in my office and asked me to write you in regard to the completion date of a Continental Oil Company well #1 located 1980/N 660/W in section 27-17-29. This was completed October 11, 1946, according to the Oil Conservation Commission files. This well is now operated by Tom Boyd and Jack Plemmons.

Very truly yours

Oil Conservation Commission
