

## NEW MEXICO OIL CONSERVATION COMMISSION

COPY

Santa Fe, New Mexico

**MISCELLANEOUS NOTICES**

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

## MISCELLANEOUS NOTICES

Supply this notice in triplicate to the Oil Conservation Commission or to the State Board of Control of the State of New Mexico. A copy will be sent to the Board of Control of the State of New Mexico. This will be done at the discretion of the Commission or the Board of Control, with such modifications as may be necessary. The basis for this action is as follows:

The Commission may issue notices to the public under authority of the Oil Conservation Act of 1929, which authorizes the Commission to issue such notices as it deems necessary to implement its responsibilities in the public interest and regulation of the oil conservation.

Indicates status of notice by specifying power:
