Santa Fe, New Mexico

COPY

MISCELLANEOUS REPORTS OF WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

THE CONSERVATION COMMISSION

Santa Fe, New Mexico

RECORDS OF THE COMMISSION

This is the report of the Commission on the work done during the year 1917. The Commission was organized in 1916 and has since that time been engaged in a study of the conservation of the natural resources of the State. It has held many public hearings and has received many suggestions from the people of the State. It has also conducted many investigations and has made many reports to the Governor and the Legislature. The Commission is now engaged in a study of the conservation of the natural resources of the State and will make a report to the Governor and the Legislature in 1918.

Statement of the Commission

1. The Commission was organized in 1916 and has since that time been engaged in a study of the conservation of the natural resources of the State.	2. It has held many public hearings and has received many suggestions from the people of the State.	3. It has also conducted many investigations and has made many reports to the Governor and the Legislature.	4. The Commission is now engaged in a study of the conservation of the natural resources of the State and will make a report to the Governor and the Legislature in 1918.
