Re: Sale of Oil

Gentlemen:

Tenneco Oil Company has requested permission to sell 216 barrels of crude oil produced on the State K lease, from the State N lease, Unit B 22-17-29, Grayburg Jackson Pool. It is our understanding that this oil was moved to this lease, in order to avoid the loss of the same, when a leak developed in the State K tank battery. Permission for this sale is hereby granted. However, the oil must be charged to the State K lease.

Very truly yours,
