New Mexico Oil Conservation Commission
Drawer DD
Artesia, New Mexico

Gentlemen:

This is to inform you of the recovery and return to the original lease of 116.50 barrels of load oil. This amount of oil was transferred to our State S-30 well No. 1, Undesignated Pool in Section 30, Twp. 17S, Range 29E, for completion purposes from our State S-32 lease, Grayburg Jackson Pool, on January 15, 1961.

This amount of oil was recovered from said State S-30 No. 1 well on January 16, 1961 and returned to lease from which it was originally produced. The Commission was notified by letter dated January 18, 1961, of the original movement of this oil.

Very truly yours,

C. H. Hesser
District Superintendent
of Production
Artesia District
