Gentlemen:

Notice of Intention to set 4½" casing, cement, perforate and treat the subject well was approved on July 2, 1974, and to date, we have not received a subsequent report of this work.

If this work has been performed, submit Form C-103 reporting same, if it has not been performed, submit Form C-103 outlining your plans for the well.

If a completion attempt is not made immediately, I will recommend that the well be plugged and abandoned.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,
