Loco Hills, New Mexico

Re: Form C-110

Gentlemen:

We are returning the attached form C-110s received in our office today showing change of oil transporter from Continental Pipe Line Company to McWood Corporation. Before these forms can be approved they must show the disposition of the gas at the present time and the gas transporter, if any.

Please complete these forms and return them to this office for approval.

Very truly yours,

OIL CONSERVATION COMMISSION
