Re: Form C-103
North Loco 36 State"A"
Well No.5--H, 36-17-29

Gentlemen:

We are returning the subject Form C-103 for one change. These forms were delivered to us by Mr. Gus Arnold. We may approve this report when the words "as a waterflood producer" are removed. As no order authorizing a waterflood or a buffer zone currently covers this well or unit, the District Supervisor wishes the forementioned statement removed.

Very truly yours,

OIL CONSERVATION COMMISSION
