17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1903.

51 1964

Well has been temporarily abandoned and is being held for possible future use in a Premier Sand secondary recovery project. There has been talk from time to time and for some time regarding this possibility, and it could become a reality in view of current oil prices.

18. I hereby certify that the information above is true and comple
